

Shine Your Light, Brighten the World
 Minutes and Musings of the May 18, 2016
 Meeting, Spotlight #30

Words of Wisdom

“Don't hang with negative people. They will pull you down with them. Instead, invite them into your light and together you will both shine strong.”

– L.F. Young

Leadership Speaker, Charles Chavoor

SPOTLIGHT
 Volume 93
www.BurbankKiwanis.org

Vice President Chuck Chavoor began the meeting by enumerating the many wonderful projects we have recently completed and thanking the members for their contributions. After the well-spoken invocation by Chris Gargaro, Chuck led us in the pledge. It must have been a really good invocation because later on, Chris was a winner.

Thanks to Nori Walla and Hazel Schrefel for delivering 14 meals to seniors.

Guests

We enjoyed the company of Leonard Diaz and Taline Satamian. Both were impressed with the

fun and the service in which our club partic

ipates. Dr. Babak Goldman and Jeannie Cohen, speakers for the meeting, also were welcomed to lunch.

Welcome to Burbank Noon Kiwanis.

Birthdays and Anniversaries

Diane Cripe celebrated her birthday with us as we sang “Put Another Candle on the Birthday Cake”. We are proud of Diane’s work as Lieutenant Governor and in helping start new

clubs.

Ron Rothacher, trustee for division 7, opened the floor for nominations for the positions to be voted. Because people generously agreed to run, there will be a paper ballot to fill the positions on the Board of Directors.

Ron also announced the success of the judging of the speech contest at Muir Middle School on May 16. Thanks to Charissa Wheeler, Albert Hernandez, Ron Rothacher, Cynthia Faust, Jerry Rosen, and Nori Walla for their participation. We support the contest and a plaque hangs with our name on it as the sponsoring club.

Cathy Hutt requested more sign-ups for delivering meals. Lisa Malm and Chuck Stuart immediately offered to help. We need to continue our great service to seniors, so please ask Cathy to put your name on the list to help.

Saturday morning we will again “FILL A TRUCK” at Hazel and Harvey’s place. Our relationship with La Providencia Guild works well thanks to Hazel and her tent in the backyard. Thank you, Haze, for your support and dedication.

Marsha Jackson, this year’s gala chair encouraged us to bring in silent auction items so we can begin our system of recording and preparing for the gala. Gary

Peterson reminded us that with all of the programs we support it is like each member donating \$800 to \$900 a person. Soooo we have to bring in those items for the live and silent auction. Our two big ways of earning money are the pancake breakfast and the gala.

On May 25 there will be a stuff the envelope party at Ron Rothacher’s home. Please come around 5 to 5:30 p.m. Ron always has food, drinks, and everything set up to make the stuffing easy. Address is 744 N. Myers, Burbank. Wally will get them into the mail for us at bulk rate.

Charissa Wheeler received her apron today and read off the names she could recognize on her apron. Dave Harris challenged her and checked for his name.

Eric Deroian received his apron today and immediately began getting signatures. He is keeping a close eye on us.

Kelli Lupe-Smith received her apron today, also. We are happy to have two such accomplished people join our group. A policeman and a hypnotist/yoga person.

They each received the yellow sheet that asks them to take part in at least 4 projects in order to receive their badge.

Dr. Babak Goldman and Jeannie Cohen, nurse, discussed palliative care from Providence St. Joseph Medical Center.
