SPOTLIGHT

Volume 93

www.BurbankKiwanis.org

Kiwanis Club of Burbank was founded in 1922.

If anyone has anything in writing or stories about our history, please give to Cynthia for writing an International required handbook

Welcome to Burbank Noon Kiwanis.

President Cynthia began the meeting by announcing her gavel was stolen again. SOMEONE is holding it for ransom. The demand has gone higher than one half an opportunity ticket.

Luis Centeno led us in the invocation and Nicole Abou-Chakra led us in the pledge of allegiance.

Charissa Wheeler played the piano for us. We are looking for the piano song book with notes and music for piano use. Charissa was amazing in working with us on the songs as we sang, "My County Tis' of Thee" Thank you, Charissa for stepping up.

Lisa Malm and Hazel Schrefel delivered meals today. Thank you for the service in the heat. You are much appreciated by the club and the seniors.

Guests

Our guests today were Lisa who owns a clothing business, Richard Broussard, Burbank High School Coach, and Key Clubbers in leadership at Burbank High School. We also enjoyed the company of Donna Wade, Isabel Adams, and Sandy Saenz from the Aktion Club.

his uniform. We are proud of him for doing that #IAMKIWANIS

Sandy Saenz prepared a paper to read to members about her Aktion Club collecting tooth brushes for the Burbank Dental Clinic. She had a special box that she walked around the room and collected brushes.....some dropped in, and some thrown in, right Steve? This is the K 1 Day project for the club.

Anniversaries

We were happy to celebrate the anniversary of Dr. Bruce and Leslie today. Bruce has learned the magic words to keep a happy marriage . "Yes, Dear"! We wish you many more wonderful years together.

New member, Kristen Sagona, has invited the club to a get-to-gether at Pickwick Gardens on July 21 from 5-7:30 p.m. It will give us a chance to see the lovely atmosphere and talk about our many activities in which the club is active. Thank you, Kristen.

Eric Deroian read off the names of those who signed

his apron and those who didn't. Hazel had to pay a dollar because her name was not to be found. Now Eric needs to show his paper with all of his activities and he will receive his permanent badge. Eric wears his Kiwanis pin on

Guest Speaker

Wally Kendig introduced our speaker, Richard Broussard, coach from Burbank High School.

Richard believes in connection with his

students. He teaches them to be true to oneself and ones' family. Richard is very animated and believes that his sports have given him a great deal. Playing sports paid for his education. One of the special teaching models he uses is called EATT. Your editor loves acronyms because sometimes just mentioning it causes to students to think about what they are doing. E = effort and being true to oneself
A = attitude and academics. Grades are tracked and students must show planners
T = toughness, mental fitness

T = together, sacrifice. Teach students how to lead.

Cathy Hutt penned Rick Marias for all he does for the club and the community. Congratulations, Rick. And next week???
