Kiwanis Club of Burbank was founded in 1922. If anyone has anything in writing or stories about our history, please give to Cynthia for writing an International required handbook

Welcome to Burbank Noon Kiwanis.

2nd Vice President, Lisa Malm, opened the meeting with an explanation that we have shared leadership in planning and leading meetings. The meeting then began with the invocation and flag salute led by Juan Guillen.

Juan, thanks for filling in for

both parts. Was the invocation a special one written for people from the R-----s? If so, it was good and you left out the R word. Charissa Wheeler played the piano for "My Country 'tis of Thee" while Sam Engel, Sr. led us with correct choral direction. What a great group we have.

Wally Kendig and Gary Peterson delivered 22 meals to seniors today. Thanks for the service on a hot day.

Guests

those who donated items for the silent or live auction. Willy Hostetler from Warner Center Kiwanis came to sell tickets to their fundraiser and let us know about the big equestrian event at Hansen Dam on Oct. 9 for autistic and disabled children who learn to ride horses. Your editor worked it last year and the look on the faces of the children was amazing and heartrending.

Our guests today were the Warner Center Kiwanis Club, Mike Milauskas, Olga Kolosova, and David Meneshian, our speaker.

David Laurell and Joyce Rudolph wrote a wonderful article with pictures of our gala. The info is also available on myburbank.com for more great pictures. We did have a big winner

among our members and this member tried to hide from her fine behind her golden cape that she bought from the Key Club. It is said that it has magic powers.

Our good luck Hazel told us that the tent is full again and on Saturday we need to empty it into a truck from Hope Valley. 8:30 a.m.

Diane Cripe, Lt. Gov., won \$2,000 at the gala

but she was not to be sheltered by Key Club because our valiant Lisa had an answer to every excuse.

Charissa Wheeler formally announced the Burbank Singing Stars project where students send in their online examples of singing and when it gets down to 12, there will be a fun time at Castaway with treats, booths, and listening to the finalists. Our club is going to work with her on this project because it is a fundraising project for a special YMCA program for children.

Guest Speaker

Diane Cripe and Jacquie Stephens were given their winning checks by Marsha Jackson, Chairwoman of the gala.

Gary Peterson, Co=Chair of the gala thanked everyone who worked on the gala as well as

Zizette Mullins introduced our guest speaker, David Meneshian, assistant branch manager from Wells Fargo Bank.

David asked for questions so he could clarify various banking procedures. Questions were asked about the delay in putting a check into an account, the use of debit and regular credit cards, foreign transactions, SARS, and other items of interest. Wells Fargo teaches a class for people new to our country called from harm to home. Banks spend a percentage of their money in the community helping others, as required.
