Welcome to Burbank Noon Kiwanis.

President Cynthia began the meeting by announcing her gavel was stolen again. **SOMEONE** is holding it for ransom. Steve Oakley is supplying a gavel for an opportunity ticket. Thanks, Steve, for stepping up. Doesn't it scare you that there is a gavel thief in our midst????

Kelli Lupe-Smith and Susan Sebastian led us in the invocation and pledge.

Charissa played and Rommil led. This was an inspiring start to our meeting.

Lunches were delivered by Cathy Hutt and Hazel Schrefel. Special thanks to all who signed up for the month of July. We are now seeking members to sign up for August. You are needed.

New member, Kristen Sagona, has invited the club to a get-together at Pickwick Gardens on July 21 from 5-7:30 p.m. It will give us a chance to see the lovely atmosphere and talk about our many activities in which the club is active. Thank you, Kristen.

in the Tolucan Times. Check it out. Gary will need groups of people to set up for the gala and to tear down. The list will be passed today. Please help.

Our club received a wonderful thank you note for the funds we give the orchestra. Steve explained how the orchestra was started for Burbank High with members' own instruments as well as funds to purchase enough to form the orchestra.

Wally and Hazel told us about the auction items and asked us to ask restaurants for gift cards.

Rick Marias pinned Steve Veres for all Steve does for the club, KCAC, and his big heart. Steve always brings a little humor to our meetings. Congratulation, Steve.

Diane Cripe won an Opportunity Ticket for the Gala.

Program

Zizette Mullins, City Clerk, introduced our guest speakers for the day, Tom Lenahan, Fire Chief, and Eric Baumgardner, Emergency Management Coordinator.

Diane Cripe, current Lt. Governor announced the upcoming DCM meeting. It stands for Division Council Meeting. We are Division 16. It will be held at a Denny's that is in the valley, address to come. Meetings are held in various places so some distant clubs do not always have to drive great distances. There are 11 clubs in our division.

Eric instructed us on being prepared in case of an emergency. He discussed tips for food such as use perishable food first, then food from freezer, and next use non-perishable items and lastly use your emergency food supplies. Tips for water. We need 2 quarts of water a day, When purchasing water, in a storage put new water on bottom and older on top and keep changing. Write the date of purchase on the water container to make it easier to rotate.

Gary announced that we have about 120+ silent auction items, all ads in and being printed, and great live auction items. Our auctioneer will be Evan Malm who has a great sense of humor and is lots of fun. We just had a full page write up
