Before the meeting, papers were sent around for signing for the Big Strike Boy Scout Auction and dinner and for the training for Region 7 at

the First United Methodist Church. Sam Engel, Sr. had all of his children with hi at the auction. The editor did not have a picture to post of Sam.

Juan Guillen used his cell to read a wonderful invocation from another service organization but appropriately used the word Kiwanis. Cynthia led the flag salute after reading a patriotic poem by Walt Whitman in which he describes America. We have a

great music team between Sam, Rommil, and Charissa Wheeler. They all work together to bring music into our meetings
