Pres. Chuck called the meeting to order at 12:35 PM. He wished everyone a Happy New Year and expressed awe for the BIG GAME won by USC in the Rose Bowl and

thanked everyone who have helped during the last year, noting the 'we are

here for the community.' Pam offered the invocation and Susan lead the pledge. Sam played as

Charissa lead us in 'God Bless America'. We shook hands with someone who KNEW that SC would win the game.

Gary and Cathy delivered 22 meals to shut-ins.

No birthdays or anniversaries today.

### Guests

Joe brought Charlie Cusumano, who was interested in the program. Kellie gets the 'membership champion' award, bringing Linda

Wiggins and Sally Hallada, who both took applications!. Rebecca Gasper and Daniel Park visited from BHS Key Club & Alyssa Dancel attended from Providence Key Club.

**On the Spot:** Luis was disappointed to learn that he was not aware he was on the website last week.

**Rose Bowl Feed.** A number of members and guests served lunch and dinner to volunteers at the Float Pavilion on December 28.

Chuck sent around 2 sign-up sheets; one for 'bag' sign-up and one for the Focus Group sign-up. The focus group will meet on Jan. 21 at 9:30 am. Nicole will host us again at the Heights. The main topic will be membership.

Charissa announced that "Burbank Singing Star" will be held on April 9 at Luther Middle School, and that the first committee meeting will be held after the meeting today.

Immediate Past President Cynthia called her up and announced that Sue was awarded the 'Employee of the Year' at the Boys and Girls Club!

Cathy gave her 'year-end' report, noting that Eliminate sent \$33,318.74 to International (Wow, Hazel!) and that we delivered 1075 meals to shut-ins for 126 service hours. Harvey delivered the most at 12 times during the year. Hazel came in a close second with 11 delivery days.

Cathy reported that the Pancake Brerakfast netted \$6,830.05, of which we received one-half. We served 960 meals, and both raffle winners donated \$100.00 each back to the club. We also donated 50 tickets to BTAC.

Cathy initiated a new process for requesting funds from the club. We need to present the invoice to her along with a special form for us to fill in. She has the forms.

Kiwanitas--- February 1 – Olive's Bistro. RSVP to Mary Dunn at [dunnda@sbcglobal.net](mailto:dunnda@sbcglobal.net)

Charlotte introduced our program, Mr. George Somoano, general manager of BWP. His informative program included the fact that Burbank has no water rights and that

we get all of our water from MWD, however due to that fact that we buy water, we are allowed to get some ground water. We use a lot of potable water, but we need to use more. He stated that Burbank strives to become more efficient, however state regulations are challenging. We will lose a coal plant in Utah during the year 2025. We will need to replace rhat energy.

The goal is to first conserve, then use renewable energy, and finally resort to fossil fuel, if necessary.

Pres. Chuck presented him with our beautiful Kiwanis mug and invited him to draw the 'numbers'. Cathy won the \$\$\$\$ , followed by her number

being called 3 more times, which she declined to

accept,

then 'the

girls' – this

time Lisa,

Susan and Pam won both of the

CDS. Hazel was so eager to win

the Garth Brooks CD, that 'the girls' donated one of the CDs to her.

The meeting was adjourned at 1:30PM

Nuts and Chews for next week – 'James Taylor at Christmas' and 'A Carnegie Hall Christmas Concert'.
