Ron announced that we have an opportunity to set a Guinness World Record. Our 1500+ students and staff from Muir Middle School, along with visitors from their sister school on Rebun Island in Japan will attempt to do the largest Ondo dance in the world. We need approximately 35 adults to monitor groups of about 50 dancers. The event takes place on Thursday, Sept. 21 between 2 and 3PM. Please volunteer.

BHS Key Club President Sarah gave the first of her planned monthly reports so that we will know what they are doing.

David showed that the blue roster will turn green in October and if your information is incorrect in the blue one, it will also be in the green one, so send him corrections if you have one.

Lisa announced that her Church is collecting donations of small travel size items to be sent to victims of Harvey (hurricane). Drop them off at Harvey's (photographer/water guy) by Friday.

Lisa introduced Jean Chadwick who described why she and Doug do what they do with the Literacy Club. Following 2 choices made for her in her life, where she was left homeless and alone, she decided she would be the only one making decisions about her life and future. She deduced that if she stayed in school she received lunch and PE, thus a shower. At 14, a Pastor in her church announced that she needed a home and that evening she was taken in by a newly married couple. They gave her "The Tales of Narnia ", and she started with "The Lion, the Witch and the Wardrobe". Now, she realized books allowed her to dream, to travel, to be inspired and all kinds of other things. The Literacy Club focuses on at-risk kids and have placed the little libraries in many places all over the world. It is a natural partnership with Kiwanis. She encouraged everyone to take a book from the table and take it to a child, in lieu of a mug. She drew David's ticket for the 50/50.

We adjourned at 1:30 PM to Hail Kiwanis.

##### **Our Partners**

For Kiwanis International, partnerships are an exciting way to maximize our service reach in communities around the world. The right partnerships are paramount. We welcome partnerships that align with our mission and preserve the trust of our members and the communities, children and families we serve.

Service is at the heart of every Kiwanis International club, no matter where in the world it's located. Kiwanis members stage nearly 150,000 service projects, devote more than 6 million hours of service, raise nearly US\$100 million every year for communities, families and projects. Key Club members pitch in 12 million hours of service each year, and CKI members another 500,000 hours of service! Aktion Club members donate another 92,000 hours of service every year. Add it all up, and that's more than 18 million hours of service each year.

In collaboration with local communities, Kiwanis clubs have built all-access playgrounds, restocked libraries, created food pantries, bought medical equipment, hosted diversity fairs, stuffed back packs with school supplies and much, much more. Local projects are based on the needs of the community.

Kiwanis programs for youth and young adults help to create the next generation of community leaders. For instance Key Club, the world's oldest and largest service organization for high school students, encourages leadership development through park clean ups, food drives and other projects. And programs like Bring Up Grades and Terrific Kids empower children to be accountable for themselves so they succeed in life.

## The Objects of Kiwanis

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

- **Object 1** - To give primacy to the human and spiritual rather than to the material values of life.
- **Object 2** - To encourage the daily living of the Golden Rule in all human relationships.
- **Object 3** - To promote the adoption and the application of higher social, business, and professional standards.
- **Object 4** - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- **Object 5** - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- **Object 6** - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and
- Goodwill
