They are a part of the campus ministry and the gratitude project. "We Care Wednesday" is a very important part of their week when

they write uplifting notes to students and post them on their lockers, as well as offering various rewards. They also do many fund-raisers for Eliminate.

Brian (Sergent-at-Arms and Student of the Month) reported on his Eagle Project for which he did a wood work project in Nepal. He went to a demolished village school and re-built their bathrooms, as well as dig a septic tank. There are photos on the 'Global Works' website.

Stephany, an artist and musician, reported that she has been going to South America for 11 years with Vision 800. This year she visited Nicaragua to help with education.

They went to churches and provided school supplies for the kids in the villages. She was also a part of creating a hospital and pharmacy for the Zika virus. She is studying in the language dept., so she can communicate with the people next year.

Ryan went to Kenya with 'Earth watch'. They set-up fences to contain the elephants. They did 3 types – motor oil covered, chili powder and metal strips (that would not damage their thick skin)

Joe noted that 45 kids did over 25000 service hours last year. He further noted that Kristen and Paul, Jr. are parents of students at PHS.

Lisa presented Joe with our fine china mug and he drew the winning number. Janet Diel won!!

We noted the Burbank Kiwanis birthday and had a little time for happy/sads.

K – Day
Oct. 14

K1 day has snuck up on us again! Our 2 project locations are below:

Project A at Chuck Johnson's house is a cleanup of a storage area on the side of the house. There are tools, hardware, wood, metal and assorted "workshop" style debris. We need several members to supervise the Key Clubbers.

Project B at the VFW is a commercial kitchen clean up. Juan will be the main contact there - he says 12-15 kids would be plenty. 9am to 2pm - VFW has an event later that afternoon.

Meeting time is 8:45 AM at the location of choice. Please let me know which project you can support.

If you can donate supplies for that day, that would be helpful. Some of the supplies we will need for Chuck's side yard clean up include:

- Work gloves for all
- Dust Masks
- Tarps to protect floor and separate items
- Dolly for heavy objects
- Storage Boxes
- Markers
- Rags/Towels/Cleaning Supplies
- 1st Aid Kit in case of mishaps
- Pressure Washer for the storage area?
- Water/Sports Drinks/Juices
- Ice
- Cups
- Paper towels
- Staple Guns
- Shade Material to hang on side of house

Please contact Luis to let him know who will be where! centenomail@gmail.com

The Objects of Kiwanis

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

- **Object 1** - To give primacy to the human and spiritual rather than to the material values of life.
- **Object 2** - To encourage the daily living of the Golden Rule in all human relationships.
- **Object 3** - To promote the adoption and the application of higher social, business, and professional standards.
- **Object 4** - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- **Object 5** - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- **Object 6** - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and Goodwill
