#### MORE KIWANIS FACTS

##### “Kids Need Kiwanis”

Kiwanis helps kids around the world. Local clubs look out for our communities and the international organization takes on large-scale challenges, such as fighting disease and poverty. We are generous with our time. We are creative with our ideas. When you give a child a chance to learn, experience, dream, grow, succeed and thrive, great things can happen.

##### SERVICE FOOTPRINT

Service is at the heart of every Kiwanis club, no matter where in the world it is located. Members stage nearly 150,000 service projects and raise nearly US\$100 million every year for communities, families and projects. By working together, members achieve what one person cannot accomplish alone

##### A FAMILY OF SERVANT LEADERS

Kiwanis clubs focus on changing the world by serving children, one child and one community at a time. To do this, many clubs also sponsor a Kiwanis family club – K-Kids for primary school children, Builders Clubs for adolescents, Key Clubs for teens, Circle K clubs for university students and Aktion Clubs for adults living with disabilities – to reach more people and have a greater service impact on their communities.

##### THANK YOU FOR JOINING US! THE KIDS ARE COUNTING ON YOU!

# The Objects of Kiwanis

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

- [Object 1](#) - To give primacy to the human and spiritual rather than to the material values of life.
- [Object 2](#) - To encourage the daily living of the Golden Rule in all human relationships.
- [Object 3](#) - To promote the adoption and the application of higher social, business, and professional standards.
- [Object 4](#) - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- [Object 5](#) - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- [Object 6](#) - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and
- Goodwill
