A video of last year’s Singing Star was played. Diane announced The Key Club of the LA International School is having their installation on April 26 at 5:30pm.
Cathy asked Eric to do something about the fire truck noise when she is speaking. She sent an email regarding the need for nutrition program. She reminded everyone that green sheets are necessary to gain reimbursement from the club for expenses.

Luis reminded everyone to hit the share button on our Facebook and, that we need a great relationship with big businesses in town. Millenials love to give or go to companies that have a community outreach.

There was time for Happy/Sadds. Kathy introduced Andromeda Edison to speak on Human Rights. Andromeda grew up with parents who believed in humanity acceptance. There are 30 human rights, which were outline in a video.

What are human rights?
1. We are all born free and equal
2. Don’t discriminate
3. The right to life
4. No slavery
5. No torture
6. You have rights no matter where you go
7. We’re all equal before the law.
8. Your human rights are protected by law
9. No unfair detainment
10. The right to trial

Many famous people helped to spread the idea of human rights. Many people in the world do not have human rights.

How do we teach human rights to children? Dr Mary Shuttleworth from So. African has ‘Youth for Human Rights’. There are materials and educator kits in 20 languages and are all free of charge. There is a video for each human right.

Pres. Lisa presented our ‘fine china’ and Andromeda picked the 50/50 ticket.

We adjourned to Hail Kiwanis at 1:30PM

THE OBJECTS OF KIWANIS

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.

Object 1 - To give primacy to the human and spiritual rather than to the material values of life.

Object 2 - To encourage the daily living of the Golden Rule in all human relationships.

Object 3 - To promote the adoption and the application of higher social, business, and professional standards.

Object 4 - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

Object 5 - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

Object 6 - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and Goodwill.

More Kiwanis Facts

Members receive a very real benefit from the corporate status of their clubs – they are personally shielded from legal liability for negligent actions by the club or its members. If a court decides that a club is responsible for damages to someone, the personal assets of the members are protected by the club’s corporate status. The clubs funds may be attached however. A portion of each Kiwanian’s dues to the club pays for his or her share of a liability insurance policy that protects all clubs and their members so persons injured through the negligence of a Kiwanis club or its members, the certain restrictions, may be reimbursed. It’s very important. There are horror stories where a club secretary or treasurer failed to maintain the club’s corporate status (it costs only a from dollars per year – from the Administrative Account money, of course – and the club’s members found themselves paying huge court judgments.
